ANTI-VANDALISM**ADMINISTRATIVE PROCEDURES:**

1. It is the responsibility of all district employees to ensure the safekeeping of all district property and equipment.
2. Vandalism Incidents
 - 2.1 Incidents of vandalism should be reported to the school principal or the assistant superintendents' office without any delay.
 - 2.2 The school principal/assistant superintendent will investigate the incident and will follow this policy's regulations and administrative procedures in attempting to get full restitution.
 - 2.3 The school principal shall send a letter to the student/parents/guardians with a copy to the accounting department and to security administration providing them with the following information:
 - 2.3.1 Full details of the incident.
 - 2.3.2 Notification that the student/parent/guardian will be billed for the damage, including chargeout rate and material.
 - 2.4 The property maintenance department will be notified by the school to have the damage repaired.
 - 2.5 The accounting department will send a bill to the student/parents/guardians and receive the money.
 - 2.6 Billings of less than \$100.00 may be issued by the school with notification to the accounting department and security administration. Any reimbursed funds will be forwarded to the accounting department.
3. Intruders/Illegal Entry
 - 3.1 In the event that employees encounter a vandal or an intruder who is not know to them or appears to be potentially hostile, they are not to endanger themselves by attempting to apprehend or make physical contact with the individual.
 - 3.2 Employees should ensure that they have a good description of the individual and note any other important identifier, such as a vehicle licence plate number.
 - 3.3 Employees should immediately contact the RCMP and the security monitor on duty at the school district's administration office. The security monitor will ensure that the appropriate district employees are contacted to secure the property.

ANTI-VANDALISM

- 3.4 The school principal shall forward a report of the incident to the assistant superintendents' office.
