

# ♥ Welcome to Kindergarten

Welcome to Beverly Kindergarten! Starting school in September will be very exciting. We hope you enjoyed using your welcome to K bag that you received in June and we are looking forward to the new year with your child.

**A reminder that all Kindergarten students will attend on the first day of school, Tuesday, September 7, 2021 from 8:15 to 9:15.** During this time safety protocols and processes will be explained and practiced for gradual entry. Over the first two weeks of school, your child will be gradually introduced to the Kindergarten schedule. This gives us a chance to get to know your child in a smaller group setting. A tentative schedule is located with this letter.

Busing will be available once the first full day of school begins. Please be aware that until we receive more updated information from the government, about what our September start-up will look like, the groups, entry schedule class organization/splits and teachers are all tentative and we will not be able to answer any questions about this until the first week of school in September. As soon as we have any information at the school we will pass that along to you.

## Everybody Line Up

On your child's first day, please have him/her line up outside, near the Kindergarten doors (signs will be posted) and we will come and collect the students when the bell rings.

Parents - please be prepared to leave your child with us, at the door on his/her first day. It is easier on your child to start the routine of coming into the school independently right from the beginning (this is usually easier on the kids than the parents). Please trust us that your child will be fine and will have a great first day! Discussing ahead of time what will happen the first day helps let your child know what to expect and knowing that a family member will be back in an hour helps relieve any anxiety your child may have.

**\*Regular full-time school for Kindergarten students will begin on Monday, September 20, 2021. It is important for your child to be on time and the warning bell goes at 8:15 each day.**

\*School supplies -Due to Covid restrictions, we are unsure about school supplies at this time. Typically, in Kindergarten, we have communal supplies where parents pay the school a fee and we purchase all of the required supplies for the students. However, with Covid we are unsure if this will be possible. Please stay tuned for this information on the first day of school when we will let you know if you need to purchase school supplies from a list we provide or if you can pay a fee to the school and we will purchase everything.

\*You can get a jump start on being prepared as your child will need a good pair of indoor running shoes (no laces please), a pair of headphones for the computer lab, in a Ziploc bag with their name on the outside of the bag (kid friendly ones are best - no earbuds), and a backpack **large** enough to carry a lunch kit, book bag and other treasures. PLEASE LABEL EVERYTHING WITH YOUR CHILD'S FIRST NAME AND LAST INITIAL.
