Parents,

In order that students have equal access to programs provided in schools, the Financial Hardship policy outlines that "Fees should not be a barrier to student participation provided in schools". Fees charged are only on a cost recovery basis. If payment of a fieldtrip or program fees raise concern for your family, please feel free to speak with your classroom teacher or myself to make arrangement for either deferred payment or fee waiver. If you have any question or concerns, please do not hesitate contact me via email or phone.

Respectfully,
Shendah Benoit, Principal
