## “MANY HANDS MAKE LIGHT WORK”

At Buckhorn Elementary School we have a history of outstanding parent involvement, creating positive support for the whole Buckhorn community. Volunteering is a great way to get involved with your child’s education and be a part of building this community. The children enjoy the events and activities that are supported by the parents, and they are successful because of your efforts.

You will be contacted by committee leaders during the school year regarding those events that you indicate you’d like to participate in. Some of the activities you can get involved in are listed below. Please check the ones you’d like to help with. Thank you! ☺

*Return this form to the school by February 1st, 2021.*
