

Buckhorn Elementary Parent Advisory Council

- Did you know all parents and guardians of students registered in the school are members of the school Parent Advisory Council (PAC).
- Studies have shown when parents are involved in their children's education those children will have more consistent and positive education outcomes.
- Being on your school PAC is one way for you, as parents, to be involved.
- It is also a great way to learn about how things are and can be done at your child's school.
- It is an opportunity to have your voice heard and meet staff as well as new people (or hang out with old friends).
- You are not required to have a criminal record check done to attend a PAC meeting. A criminal record check as well as approval from the principal is required for all those who would like to volunteer at the school. Please see the school office for information regarding criminal record checks.
- All parents and guardians of students in our school are welcome to attend our PAC meetings. Meetings are held via Zoom, every 3rd Thursday of the month at 6:30pm. For more information and to participate in the meetings, please email buckhornpac@hotmail.com
Hope to see you there!
