**Class Placements:** Gradual Entry is an important time. It sets the stage for your child's school experience, so we want to do it right. Please know that any student placement can change up until the end of September. Students will have the opportunity to work with both Kindergarten teachers and each other during this phase in time. They will not be assigned their classroom teacher until Monday, September 20<sup>th</sup>.

**School Supplies:** There is no need for you to purchase school supplies. A **\$25 payment** will be collected in September along with the other regular school fees. This makes it easy for you. We will let you know when the fees are due. Please don't bring these the first day of school.

**Friendly Footwear:** User friendly footwear is most helpful when a child enters school. Please have available what they can most easily manage efficiently.

**Keep Informed:** Please stay informed via our school website, Facebook and your email In-box for any changes or additional information. We are so looking forward to starting this journey with your child. Things could change. We are not completely sure what school will look like in the fall, but we have been advised to plan for a "near normal" return. That said, one thing we have learned in a Pandemic is that things can change. Thank you in advance for your patience and flexibility. The schedule above is a "draft" schedule.

**Pick Up/Drop Off** Please meet the teachers in front of the adventure playground on the first day. We will do the transition there.

**School Bell Schedule** 8:25 warning Bell  
8:30 School Begins  
2:27 School Ends

**We are still working out the details for recess and lunch eating. Stay tuned. There may be slight adjustments to the above schedule as we continue to transition back to a Pre-COVID schedule.**
