SCHOOL INFORMATION

Daily Health Check

The Daily Student Health Check can be found on our website and on the SD 57 website. Please complete the health check with your children daily before leaving for school.

Parents, please be sure to keep your children home if they are sick. The daily student health check is filled with valuable information for families.

Visitors

All visitors to the school need to complete the daily health check, hand sanitize, wear a mask and sign in and out.

Photo Retake Day

Nov 18th is photo retake day. It is helpful if parents write a note in their child's planner indicating a photo retake is needed. We want to ensure we don't miss any retakes.

After School Plans

We ask that students make their after school plans with friends before arriving to school. The office is a busy place and there isn't time to be contacting parents to make after school arrangements.

School Plan

Please check out our school plan on our website. Thank you to those who completed the parent survey. If you would like to provide feedback or have any questions, please contact Ms. Hood.

Safe Start Program

Glenview has a **Safe Start Program** which means if your child is absent from school and you have not notified the school, you will be called. We appreciate it when parents contact the school at 250-962-9669 when their child is absent. The office is staffed from 8:00am to 3:30pm; a voicemail can be left afterhours.

Dressing for the Weather

With fluctuating temperatures, please ensure your child dresses for the weather. It is time for hats, mitts, scarves, boots, warm coats and possibly snow pants. It is recommended to write student initials on labels of boots, coats and snow pants.

Seven Sacred Teachings

Our teaching for the month of November is wisdom. The animal that represents this teaching is the beaver.

Wisdom is:

- wanting to learn new things and sharing these things with others
- using the knowledge of those who have lived before you

PAC News

PAC Christmas flower orders are due Nov 9th.

The next PAC meeting is Nov 9th at 6:30pm. Parents can join virtually through zoom or attend in the library.
