Principal's News

Yay! The sun is back and we are even starting to warm up outside. As the temperatures improve, please remember that the weather can still change quickly. This is the season where our students shed their layers throughout the day- please check the lost and found frequently.

We are looking forward to seeing parents and students at the Student Led Conferences March 11-14. This is an amazing opportunity for your child to share their pride in their learning and for teachers and parents to connect. If you are not able to make it at your scheduled time, please contact your child's teacher to make alternate arrangements.

On March 15th, Buckhorn and Hixon Elementary will be going to the movie as our school-wide celebration of meeting our STARS goal. We have been working hard on Respect and Responsibility and it is time to recognize all that hard work.

I hope you all enjoy a relaxing Spring Break!

Mrs. Zummack

Student Attendance

Successful students attend school regularly and arrive on time! It is very important that your child comes to school every day and is on time. Students who arrive after 8:30am must report to the office. If your child is going to be late or absent, please call the school office at 250-998-4377 by 8:30am.

Bus Students

Students not going home to their regular stop must provide a note from their parents with instruction to the office. If you have any questions please call Mrs. Huidobro at 250-998-4377. **Last minute phone calls and messages may not reach us before the bus leaves.** To avoid confusion and stress for your child, please send a note or write a note in your child's planner anytime there are different plans for after school. Thank you for your understanding
