2019/20 Courtesy Bussing

If you are aware that your child will require courtesy bussing during the 2019/20 school year, please ensure a Courtesy bus application is completed and returned to your child's school no later than June 23, 2019. Courtesy riders must be students that are in their enrolled catchment area and are subject to approval by the District Transportation Principal, and if space is available.

Parent/guardian(s) are required to re-apply for the courtesy bus service each school year. Requests for courtesy bussing received during the months of August and September will not be approved for transportation till October 2019. Courtesy requests can be obtained from your child's school or the school district website www.sd57.bc.ca

If you have questions please contact your child's school or the Transportation Department at 250-561-6802.
