“Un pour tous, tous pour un”

The following lists are for basic school supplies for our PRIMARY students for 2016/2017. Each classroom teacher may have a few extra items required for his/her class in September. Please remember that the supplies will need to be “topped up” periodically throughout the school year so that your child has all the necessary equipment for success. Please remember to label ALL items with your child’s name. Kindergarten students will receive their supply list from their own teachers.
