Diversified Emergency Evacuation Practices

Date: November 2, 2018

Please be advised that during the week of November 19-23, 2018, all Diversified Transportation School Bus Drivers will be conducting Emergency Evacuation Practices at all schools.

- All practices will be conducted **after school only.**
- All practices will be conducted on **school property only.**
- This could delay the arrival home of your child from thirty (30) to forty-five (45) minutes.

Emergency Evacuation drills are required by law and are designed to give your child practice in what to do in the event that an Emergency Evacuation is necessary. Thank you for your cooperation during this very important safety practice.
