Things are going well and we are 'back to normal' at school. School staff put in a lot of time in, working together, last week to increase preventative measures and to maintain a positive learning environment. The learning is going well and we calmly continue with reminders about masks, handwashing, personal space, and alternate use of the playground and field.

Thank you for your patience and prevention. We know the best preventative measures for the health and safety of students, staff and our community continue to be:

- ⇒ Vaccination
- ⇒ Doing a daily health check (see attachment) or try the [K-12 Health Check app](#) or the BC Assessment tool at <https://bc.thrive.health/covid19/en>
- ⇒ Staying home when sick
- ⇒ Wearing a mask
- ⇒ Washing or sanitizing hands regularly
- ⇒ Avoiding crowding and respecting personal space

Thank you for trusting us with the health, safety and education of your children. Parents are partners! Please keep in touch:) We use student planners, phone, email, teacher websites, Zoom, etc... to keep the lines of communication open.

ORANGE SHIRT DAYS

Every Monday school staff are wearing their orange shirts because every child matters. Students are welcome to join us in this initiative towards Reconciliation.

Did you download a copy of our Winter Concert? If yes, please contact Ms. Solmonson at the office. We may have inadvertently deleted our only copy.

We Remember our Commitment to Truth and Reconciliation

At Nukko Lake Elementary we acknowledge that we are living, learning and working on the ancestral and unceded territory of the Lheidli T'enneh First Nations.

Everyday in our morning announcements, we share the Dakelh word of the week. This week it's: Chuntulhi, which means, 'Coyote'.
