

Benats'ukuiah Nun

Hadih,

Happy November everyone!

Our Remembrance Day Assembly will be at 10:40am on Friday, November 10th, 2017. There is no school on Monday, November 13th, 2017.

Office News :

Lunch forms will be sent home in the first week. Please make sure you fill them out and make your payment to Bonnie at the office as soon as possible.

If your child is going to be late or absent for any reason, please phone the school office as soon as possible (250)-562-7201.

This month, we had almost 60 students with perfect attendance. The grand prize winner was Gabe Williams who received our native art pencil crayons. Raiden Azak won for the month of September. Good job boys! Remember, attendance is very important for your child's learning. If they have more than 5 lates they will be taken off of the perfect attendance list, as they need to be here for the learning parts of the day. The parents get a \$50 Save-On-More gift card when their students name is drawn for Perfect Attendance. Good effort parents on ensuring your students are here everyday.

We will be ordering some new hoodies for staff. They will be a nice blue color with the Nusdeh Yoh logo on the front and an aboriginal design on the back. They will be approximately \$40. We will put an order out to parents for their children or themselves before Christmas and then another one in the Spring.

Grade 7 :

Thank you staff, parents and guardians for all of your support with the Pizza sale for our Grade 7's. They were able to fund-raise for another 1/3 of the cost of their hoodies. They will be hosting a hot dog sale on November 30th, 2017. So please look for the order forms that will come out in the next few weeks. With this success, the grade 7's will be ordering their hoodies right now so that they can wear them by Christmas.

Potlatch :

This year we will be trying a new method for our Potlatches/Feasts/Bahlats. Each Feast will be a teaching Feast only. They will all be Multi-Nation Feasts, taking different aspects from the many Nations we have here at our school. Each Feast will be run in exactly the same method, but will be hosted by a different clan each time. All the students belonging to the hosting clan will help with the hosting responsibilities. The Feasts will be open to the students and to the Elders. Families will not be joining for the Feasts this year, until we work out all the kinks, then we may open them back up to the families to join their children in the learning. Thank you for your patience and understanding.

Musicho,

Pam and Harmen

For the month of November, we will be learning about the Universal Value of Wisdom

Banghan Nuts'ukih

Universal Value of the Month:

Wisdom is :

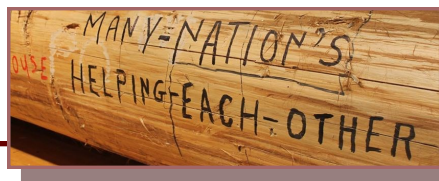

- Wanting to learn new things and to share those things with others
- ◆ Using the knowledge of those who have lived before you
- ◆ Sharing knowledge with others
