

Dear Families,

June 2018

Welcome to Kindergarten at Westwood Elementary School! In order to help facilitate an easy transition into full day Kindergarten, here is a **tentative** gradual entry schedule for your child. It only includes the first 3 days (the first week of school). Part 2 (the second week) schedule will be given to you on the Friday of the first week, September 7. This is to accommodate the anticipated K/1 combination class. Thank you for your patience.

If we need to create a Kindergarten/Grade 1 class, classes will be created on Thursday after school. The students placed in the K/1 class will be given a new gradual entry schedule as soon as possible on Friday. Placement in a K/1 classroom is dependent on a recommendation from the parents, **which must be supported by the classroom teachers.**

If you have any questions or concerns regarding this information or these schedules, do not hesitate to call the school. The school will re-open on August 27th.

Sincerely,

Mrs. D. Coupe Ms. P. Matyas
