School District No. 57 (Prince George)

BOARD OF EDUCATION

CHARTER

Our mission, as a Board of Education, is to create a culture of trust and integrity by adhering to the highest standards of ethical behaviour and fiduciary responsibility.

We, the Board of Education, individually and collectively, in the conduct of our duties, will be:

- Transparent
- Open-minded
- Consultative
- Committed
- Respectful of Diversity

BOARD OF EDUCATION AND SENIOR ADMINISTRATION

GUIDING PRINCIPLES

The Board of Education and senior administration believe we are accountable to the families and communities we serve. We respect their diversity and support their involvement.

We further believe that all children can learn, achieve and succeed, and that by working together with our employees, students, parents, and our communities, we will enable our students to reach their greatest academic potential.

We believe our students have the right:

- To a safe and respectful learning environment.
- To be valued.
- To have the opportunity to explore and develop their potential.
- To have their intellectual, emotional, physical and social needs met

We also believe that with these rights come responsibilities with respect to their school, classroom and work habits.

We believe our employees have the following rights and responsibilities:

- To be treated fairly and work in a safe environment.
- To be respected, trusted, included and valued.
- To explore, collaborate and develop to their potential.
- To treat others fairly, work cooperatively, and create a safe working and learning environment.

Together, we affirm that these guiding principles provide the foundation for the decisions we make in School District No. 57.

MEMORANDUM

TO: Board of Education

FROM: Tim Bennett, Board Chair

SUBJECT: TRUSTEE COMMITTEE AND LIAISON APPOINTMENTS

RECOMMENDATION

That Bylaw 1, 2.9 be waived and the December 2018 Trustee Committee and Liaison Appointments remain in effect until the completion of the school district’s policy review and adoption a revised policy manual.

***************

RATIONALE:

1. Bylaw 1, 2.9 provides that the Committee and Liaison appointments shall be subject to the approval of the Board at the next regularly scheduled Board Meeting following the Inaugural Meeting.

2. The Board of Education entered into a contract with Dr. Leroy Sloan, Sloan Consultants Ltd. to conduct a review and revision of the school district policies in July 2019 and the policy review is currently in progress. The structure of the Trustee Committee and Liaison Appointments are included within the policy review.

3. The Board of Education wishes to waive Bylaw 1, 2.9 by continuing with the existing Trustee Committee and Liaison Appointment to allow the completion of the school district’s policy review.

4. Upon the completion of the school district’s policy review and the adoption of the revised policy manual, the Board of Education will review and revise the Trustee Committee and Liaison Appointments as appropriate for approval.
POLICY

Every school and program in School District No. 57 will have a designated catchment area. There will be provisions to enable students to transfer to another school.

DEFINITIONS:

“Catchment area” means the geographical area established by the Board as the attendance area for a school or a school program. The Board of Education recognizes two types of catchment areas:

1. The catchment area for a regular program is a geographic attendance area identified by the Board.

2. The catchment area for a choice program or school, distance education, continuing education and district alternative programs is the entire school district.

“Catchment area child” means a person of school age residing in a catchment area of a school.

“Choice programs” are the district’s French Immersion, Aboriginal, Montessori and Traditional programs or any program approved in accordance with Policy 6172 (Establishment of Choice Programs and Schools). A choice program may be offered as the only option in a school (a “choice school”) or in a dual-track model in a school that also offers a regular program.
“Choice school” is a school that offers a choice program as its only option.

“Enrolment capacity” is the number of student spaces available within a school or program.

“Non-catchment area child” means a person of school age who resides in School District No. 57 but not in the catchment area of the school.

“Non-school district child” means a person of school age who is resident in B.C. but not resident in School District No. 57.

“Ordinarily resident” means a resident of the school district. For the purposes of this policy, a student’s residency is determined as of the date that his or her registration or transfer request is submitted to the district.

“Previous school year” means the school year previous to the school year for which the person is applying to enrol in an educational program.

“Projected enrolment” is the expected student enrolment at a school as approved annually by the Superintendent of Schools or his designate.

“Regular program” is the regular curriculum offered by most district schools, without a unique or significant focus that makes it different from other schools.

“School district child” means a catchment area child or a non-catchment area child ordinarily resident in School District No. 57.

“Sibling” means the brother, sister, stepbrother or stepsister of, or a foster child living in the same home as, a child registered in a district school.

“Transfer capacity” is the enrolment capacity minus the projected enrolment, with allowance being made for students who move into the school’s catchment area.
PREAMBLE

The intent of this policy is to provide a balance between school organization based upon designated catchment areas and parental choice in the selection of a preferred school for their children, consistent with the provisions of the School Act.

Approved: 2003.02.25
Revised: 2007.06.26
REGULATIONS:

1. General

1.1 The Board will make available an educational program to all persons of school age who are ordinarily resident in the district.

1.2 If there is sufficient space available, as determined by relevant legislation and district policy, students may transfer from one school to another in accordance with district processes and procedures.

1.3 The Board may assign and reassign students to specific schools.

1.4 Each school offering the regular program will have a designated catchment area.

1.5 The catchment area for choice programs and choice schools, distributed learning, continuing education and district alternative programs is the entire school district.

1.6 Every reasonable attempt will be made to accommodate students at the school serving the catchment area in which they reside.

1.7 If space is not available for student wishing to attend the regular program at the school serving the catchment area in which he or she lives, the principal will find a space for the student in a neighbouring school. Transportation support may be provided, if required, in accordance with Policy 3541 (Student Transportation – Home and School).

1.8 Students may attend the regular program at a school other than their catchment area schools, as per the terms of this policy, if space is available. Students may attend any choice program or choice school in the school district, in accordance with the terms of this policy, if space is available.

1.9 The parents or guardians of a non-catchment area child or a child registered in a choice program shall assume full responsibility for the transportation of the child to and from school and any related extra supervision requirements, in accordance with Policy 3541 (Student Transportation, Home and School). The Board shall incur no additional costs as a result of such registration or the approval of any transfer application.

1.10 Once a transfer is approved by the district and a student has transferred, the student becomes a student of that school and is entitled to attend it for the duration of his or her elementary or secondary program, unless
that privilege is revoked in accordance with Board policy. Parents wishing the return of their child to the previous school must apply for a transfer using the district's transfer process. However, once granted a transfer, a student may not transfer to any other school for at least one school year.

1.11 Catchment boundaries will be reviewed by the Education Services Committee as required.

1.12 Appeals of decisions made with regard to this policy are governed by Bylaw No. 4.

2. Registration and Transfer Priorities

When there is insufficient space available in a school or program for all students who wish to attend that school or program, the following will be the order in which students are accepted:

2.1 Kindergarten

2.1.1 Siblings of catchment area children who, in the previous year, attended the school in question and who will be attending the school in the following year.

2.1.2 If there are more siblings than can be accommodated, priority will be established based on a lottery.

2.1.3 If siblings can be accommodated and there are more new registrations who do not have siblings in the school than can be accommodated, priority will be established based on a lottery.

2.2 Choice Programs

2.2.1 Kindergarten

a) A sibling of a school district child who, in the previous year, attended the school in question and who will be attending the school in the following year.

b) A school district child.

c) A non-school district child.

d) If there are more students in a priority category than can be accommodated in any program, priority will be established based on a lottery.
2.2.2 Grades 1-12

a) A sibling of a school district child who, in the previous year, attended the school in question and who will be attending the school in the following year.

b) A school district child.

c) A non-school district child.

d) If there are more students in a priority category than can be accommodated in any program, priority will be established based on the date and time of registration.

2.3 Transfers

2.3.1 A sibling of a school district child who, in the previous year, attended the school in question and who will be attending the school in the following year.

2.3.2 A school district child.

2.3.3 A non-school district child.

2.3.4 If there are more students in a priority category than can be accommodated in any program, priority will be established based on the date and time of application.

3. Elementary to Secondary Transition

3.1 An elementary student who attends the regular program offered in the school serving the catchment area in which the student resides is entitled to attend the regular program offered at the secondary school serving that catchment area.

3.2 A student attending a regular program in an elementary school outside his or her catchment area, when moving from elementary to secondary school is entitled to attend either:

3.2.1 The secondary school serving the catchment area in which the student resides, or

3.2.2 The secondary school to which his or her current school is linked.
3.3 A student in a choice program moving from elementary to secondary school is entitled to attend either:

3.3.1 The secondary school serving the catchment area in which the student resides, or

3.3.2 The secondary school to which his or her school or program is linked.
SCHOOL CATCHMENT AREAS, REGISTRATION AND STUDENT TRANSFERS

ADMINISTRATIVE PROCEDURES:

1. General

   1.1 Catchment area maps will be available to the public on the district’s website at www.sd57.bc.ca.

   1.2 For each school year, the Assistant Superintendents will establish dates defining the start and end of the Kindergarten registration process. Different dates may be set for different educational programs or schools.

   1.3 Prior to the start of Kindergarten registration and the transfer process each year, parents/guardians will be made aware of this policy through school newsletters, the media and other forms of communication.

2. Registration

   2.1 Kindergarten

      2.1.1 Kindergarten registrations must be submitted using the electronic application on the school district’s website www.sd57.bc.ca. Application information will be posted on the website prior to the commencement of the registration period. The information will also be available in paper format at any school in the district. For parents who do not have access to the Internet, registration may be done in person by submitting a paper registration form and requesting that school office staff enter the provided information into the online registration application.

      a) A birth certificate, B.C. Care Card or B.C. Services Card and proof of residence must be provided to the school within one week after the end of the registration period.

      2.1.2 Kindergarten students who wish to attend a regular program are required to register at the school serving the catchment area in which they live. Proof of residence is required.

      2.1.3 Kindergarten students who wish to attend the regular program offered in a school other than the school serving the catchment area in which they live must first register in the school serving their catchment area and then apply for a transfer through the school district’s transfer process.

      2.1.4 At 4:00 p.m. one week following registration day, the principal of the school will determine if all of the students who have registered can be accommodated in the school. If more students have
registered than can be accommodated, students will be accepted in the priority order established in Regulation 2.

2.1.5 If a lottery is required, the principal of the school and the chairperson of the school’s parent advisory council, or designate, will at that time conduct it as follows:

a) The names of all students in the priority category will be placed in an envelope or other suitable receptacle. The names of multiple children of the same age from the same family will be recorded together on one piece of paper.

b) The names will be drawn one at a time and recorded on a list in the order drawn. This list will establish the order in which registrations are accepted.

c) If there is not sufficient space to accommodate multiple children of the same age from the same family, their parents will have the option of accepting spaces for individual children.

d) Those names on the list whose registrations are not accepted will become the wait list.

e) Parents will be informed regarding registration acceptance or wait list status as soon as possible following the draw and prior to the start of the school district’s transfer process.

2.2 Grades 1-12

2.2.1 Students who wish to attend a regular program are required to register in the school serving the catchment area in which they live. Proof of residence is required. If there are more students than can be accommodated, then priority will be established based on the date and time of registration.

2.2.2 Students who wish to attend the regular program offered in a school other than the school serving the catchment area in which they live must first register in the school serving their catchment area and then apply for a transfer through the school district’s transfer process.
2.2.3 Students wishing to register in a choice program may do so. Acceptance into a choice program will be dependent on two factors:

   a) Program criteria.

   b) Available space.

2.2.4 If there are more students registered in a choice program than can be accommodated, students will be accepted in the priority order established in Regulation 2.

3. Mid-Year Registrations

3.1 Students who wish to register for a regular program outside of the designated registration period may register at either the school serving the catchment area in which they live or at a choice program or school.

   3.1.1 If no space is available in the catchment area school, the principal will find a space for the student in a neighbouring school.

3.2 Students who wish to register outside of the designated registration period at a school other than the school serving their catchment area must register at their catchment area school and request the principal’s assistance in arranging a transfer (a principal-to-principal transfer).

4. Transfers

4.1 Annually, the total enrolment and/or program enrolment capacity within each school will be determined by the Superintendent of Schools or his designate.

4.2 After the school’s enrolment capacity has been determined, the transfer capacity will be set. Allowance will be made for students who move into the school’s catchment area after the out-of-catchment area transfers are complete.

4.3 Students who wish to attend the regular program offered in a school other than the school serving the catchment area in which they live must first register in the school serving their catchment area and then apply for a transfer through the school district’s transfer process.

4.4 All transfer applications must be submitted using the electronic application available through the school district’s website at www.sd57.bc.ca. Application details will be available on the website and will be available in paper format from district schools.
4.5 Transfer applications may be made in person at any district school office by requesting that office staff enter the provided information onto the on-line application form.

4.6 Regardless of who enters the information or how the website is accessed, the electronic application assigns a date and time received to each application. It is the responsibility of applicants to retain their on-line application confirmation number as proof of application. Information entered on the on-line application form is subject to audit. The presence of inaccurate information invalidates the application.

4.7 Transfer requests will be reviewed at the conclusion of the transfer process and parents/guardians will be notified as to the status of their request by March 30. Those not accommodated will be placed on a wait list in the category and date/time order submitted, for consideration in September when actual enrolments are known. Parents/guardians of students placed on a wait list for September will be contacted no later than the Monday following the start of school in September if space exists for their child’s transfer. Applications entered into the district’s on-line registry will be shared with both the catchment area school and the requested school.

4.8 If more than one transfer application for a student is present, the application with the most recent date and time shall be the active application, and previous applications will be considered as cancelled. Only one school may be requested on each active application.

4.9 If space is available in a school or a program, students whose transfer applications were received by the date established will be accepted in the priority order established in Regulation 2.

4.10 Principals will inform all students transferring to a secondary school outside their catchment area, and their parents, of the effect that BC School Sports regulations may have on their eligibility to participate in provincial school sports events and of their right to appeal to BC School Sports regarding any decisions affecting their athletic eligibility.

4.11 Mid-Year Transfers

4.11.1 Students who wish to transfer to another school outside of the time set aside for the transfer process must request their principal’s assistance in arranging a transfer (a principal-to-principal transfer).
### 4.12 School-Initiated Transfers

4.12.1 A principal, after consulting with and obtaining the agreement of the principal of another school, may transfer a student to another school, at any time in the school year, in consideration of the following:

- a) Medical reasons.
- b) Compassionate grounds.
- c) Disciplinary reasons.
- d) The best interests of the student or other students in the school.
- e) There is not space for new registrants at the school.

4.12.2 Before transferring a student, the principal shall discuss the situation with the parents/guardians of the student.

4.12.3 Where necessary, the Assistant Superintendent may become involved in a school-initiated transfer and make the final decision on the transfer.

MEMORANDUM

TO: Board of Education

FROM: Trustee Warrington

SUBJECT: SPRUCELAND TRADITIONAL ELEMENTARY SCHOOL—SEPTEMBER 2019 AND SUBSEQUENT YEARS – GRANDFATHERING OF SIBLING TRANSITION PROCESS FROM GRADE 7 TO 8

____________________________________________________________________

RECOMMENDATION

That the transition process, beginning September 2020 for grade 7 students currently attending Spruceland Traditional Elementary School, entitles students, who at the time of transition have siblings enrolled in grades 8 – 12 in the regular program at Duchess Park Secondary School, to transition to the regular program offered at Duchess Park Secondary School.

RATIONALE:

The Board of Education’s decision to move Spruceland Traditional Elementary School from the Duchess Park Secondary Family of Schools into the DP Todd Family of Schools impacts families who do not reside in the Duchess Park Secondary School Catchment area and who have a sibling or siblings who attend Duchess Park Secondary School regular program.

Spruceland Traditional is a choice school. “The catchment area for a choice program or school is the entire school district.” Under Policy 5119, a student in a choice program moving from elementary to secondary school is entitled to attend either: the secondary school serving the catchment area in which the student resides or the secondary school to which his or her school or program is linked.”

Effective September 2020, if a Spruceland Traditional Elementary School grade 7 student does not live in the Duchess Park Secondary Catchment Area, the student must either transition to DP Todd Secondary School or to a secondary school serving the catchment area in which they live as per Policy 5119 Regulation 3, this requirement could potentially separate siblings.
3. **Elementary to Secondary Transition**

3.1. An elementary student who attends the regular program offered in the school serving the catchment area in which the student resides is entitled to attend the regular program offered at the secondary school serving that catchment area.

3.2. A student attending a regular program in an elementary school outside his or her catchment area, when moving from elementary to secondary school is entitled to attend either:

3.2.1. The secondary school serving the catchment area in which the student resides, or

3.2.2. The secondary school to which his or her current school is linked.

In order for a Spruceland Traditional Elementary grade 7 student to attend the same school as their sibling at Duchess Park Secondary School, the family would need to follow Policy 5119, Administrative Procedure 4: Transfers, 4.3 through to 4.10.

The transfer process lacks certainty and is both time sensitive and complex. Beginning with regulation 4.3 they “... must first register in the school serving their catchment area and then apply for a transfer through the school district’s transfer process.” 4.7 states, “… at the conclusion of the transfer process parents /guardians will be notified as to the status of their request by March 30. Those not accommodated will be placed on a wait list in the category and date/time order submitted, for consideration in September when actual enrolments are known…..” Regulation 4.9 states, “If space is available in a school or program, students whose transfer applications received by the date established will be accepted in priority order established in Regulation 2.”

**Regulation 2.2**

**Grades 1-12**

a) A sibling of a school district child who, in the previous year, attended the school in question and who will be attending the school in the following year.

b) A school district child.

c) A non-school district child.

d) If there are more students in a priority category than can be accommodated in any program, priority will be established based on the date and time of registration.

Recognizing that Duchess Park Secondary School is currently over capacity, this transfer process which is both time sensitive and complex, further compromises families and their ability to have their children attend the same school.

For grade 7 students attending Spruceland Traditional Elementary School who at the time of transition have siblings in the grades 8 – 12 regular program at Duchess Park Secondary School, the proposed transition recommendation allows for siblings to attend the same school and provides a student and their family with the certainty of a smooth transition from grade 7 to 8.

SUBJECT: EDGEWOOD ELEMENTARY SCHOOL CATCHMENT AREA – SEPTEMBER 2019 AND SUBSEQUENT YEARS – GRANDFATHERING OF SIBLING TRANSITION PROCESS FROM GRADE 7 TO 8

RECOMMENDATION

That the transition process, beginning September 2020 for grade 7 students currently attending Edgewood Elementary School, entitles students, who at the time of transition have siblings enrolled in grades 8 – 12 in the regular program at Duchess Park Secondary School to transition to the regular program offered at Duchess Park Secondary School.

RATIONALE:

The Board of Education’s decision to change the Edgewood catchment from Duchess Park Secondary School catchment to DP Todd Secondary School catchment impacts families who have a sibling or siblings who currently attend the Duchess Park Secondary School regular program and who under the catchment change would be required to have their grade 7 child transition into grade 8 at DP Todd Secondary as per Policy 5119 Regulation 3 Elementary to Secondary Transition. This requirement could potentially separate siblings.

3. Elementary to Secondary Transition

3.1. An elementary student who attends the regular program offered in the school serving the catchment area in which the student resides is entitled to attend the regular program offered at the secondary school serving that catchment area.

3.2. A student attending a regular program in an elementary school outside his or her catchment area, when moving from elementary to secondary school is entitled to attend either:

RECOMMENDATION

That the report of the Education Programs and Planning Committee meeting held on November 19, 2019 be received.

* * * * * *

REPORT:

1. The Education Program and Planning Committee met on November 19, 2019.

2. The meeting’s agenda items were:
   a. Minutes of the Previous Meeting - The minutes of the previous meeting were approved as presented.
   b. Students with Concussions in Schools – Ms. Heitman, Assistant Superintendent provided a PowerPoint presentation on Students with Concussions in Schools. Ms. Heitman reported that parents, coaches, athletes, school staff and health professionals need to be aware of the Canadian guideline and concussion protocols for returning to school and sports. She noted that the Concussion Awareness Training Tool for School Professionals, developed in partnership with the B.C. Ministry of Health, Ministry of Education and the G F Strong Rehabilitation Centre provides educators and school administrators with resources to support a concussed student in their integration back to school.
   c. Student Support Services Update – Ms. Horswell, District Principal Student Support Services delivered a PowerPoint presentation which included an overview of the past year. Ms. Horswell spoke of the implementation of the Student Support Services Mental Health Clinic and its statistics for the months of September and October 2019. The Clinic uses the approach of intervention through clinical service to address the ever growing mental health concerns in our schools.
Ms. Horswell also provided an overview of the District Mental Health Literacy that focuses on grade 6 and 9 students. She stated Student Support Services will continue to provide schools, teachers and students with interventions at every level, building capacity and providing ongoing mentoring and support to all.

d. **Information Technology, Skills, Trades and Careers Update** –
Mr. Molcak, District Principal Information Technology, Skills, Trades and Careers provided a PowerPoint presentation on the various programs under the Careers Program. The presentation included updates on Elementary and Secondary Trades, and Community Career Awareness Programs. Further information regarding the Skills, Trades and Careers Programs can be found on the school district’s website.

Mr. Molcak provided an update on the school districts’ technology and goals to support all aspects of student learning.

e. **Yearly Plan** – The Committee reviewed and updated the yearly plan.

3. The next Education Programs and Planning Committee meeting will be held on January 21, 2020.

SUBJECT: DISTRICT STUDENT ADVISORY COUNCIL

The District Student Advisory Council met on Monday, November 4, 2019.

November’s meeting was a busy and productive 90 minutes! The sessions are now being directed by student leaders and last month’s gathering began with a fun icebreaker. The second agenda item was to conduct a survey of students to see what was important to them. The three priorities that emerged were climate change, school spirit and bullying in and out of schools.

The group decided on 3 community based campaign weeks that center on kindness to self, kindness to others and kindness to the planet. They have timeline for the projects and have set up committees to organize and execute them in 2020.

In addition, there is a plan for a group of students to do “vaping presentations” in a few elementary and secondary schools in the New Year! The research is underway and we will get an update at our next meeting. This is another great project that will feature their voice to an important issue in our district!

Over the next few months, the students from grades 7-12 will be working hard on these campaigns and projects!

The next DSAC meeting is this Monday, December 2nd at 11am at the board office.

MEMORANDUM

TO: Board of Education
FROM: Trustee Bennett
SUBJECT: TRUSTEE REPORT – NOVEMBER 2019

I want to thank the Board of Education for the opportunity to serve as Chair for another year. I cannot believe that it has already been a month since the Inaugural.

I want to start the report by saying a big thank you to Rod Allen for the work he has done for the School District during his time as Superintendent. He has moved the district forward in so many ways during the short period of time he was here in SD57.

A few highlights over the past month:

November 1st
I joined Trustees Warrington, Bekkering and Derrick along with members of our Senior Team out at Lheidli T’enneh town site for the grand opening of two new homes. Congratulations to Elders, Chief and Council and community members on the opening of the first of a series of new homes.

November 6th
I had the opportunity to tour Foundry and learned about the important work they are doing to support youth in Prince George. I believe it would be a great presentation for a future Education Programs and Planning Committee meeting. I also joined the Superintendent, Secretary Treasurer and Assistant Superintendents at a Community Stakeholders luncheon at the College of New Caledonia. This luncheon was an opportunity for us to meet Dr. Dennis Johnson, the new President of the College of New Caledonia.

The Board held its Inaugural meeting and had the opportunity to welcome Anita Richardson, newly appointed Superintendent of Schools, back home. She joined us for the meeting and spent time in the School District meeting with district leadership.

November 8th
I had the opportunity to be a guest on “After Nine” on CFIS. We were able to have a great discussion about everything happening in SD57 and talk about the changes to school boards across Canada.

November 13th
Joined the Board and Senior Administration at the College Heights Family of Schools Meeting at Beverley Elementary School. It was a great meeting to hear about the work happening throughout the family.
November 14th – November 15th
Were busy media days. Thank you again to all the media for not only your coverage of SD57 but also for your professionalism and respectful manner in which you conduct your business.

November 28th – December 1st
Attending the BCSTA Academy in Vancouver along with BCSTA Board Meetings. There will be more of a verbal discussion and an update from Trustee Polillo at the regular public meeting.

I also want to take an opportunity to say congratulations to Lheidli T’enneh First Nation on a successful Balhats. I am disappointed that I was not able to attend. Thank you to members of the Board and Senior Administration who were able to attend on behalf of School District No. 57 (Prince George).

Nothing but the best of Holiday wishes to everyone. I hope everyone has a safe, relaxing and enjoyable break and looking forward to working together in support of our students in 2020.

I attended the D.P. Todd Fall Band concert on Monday November 4th. Bravo to all the students who performed for a packed gym of parents and community!

I want to thank my fellow trustees for re-electing me as the provincial representative for the British Columbia School Trustee Association at our Inaugural meeting on November 6th. I’m looking forward to another year representing SD 57 provincially and working with this diverse and dynamic board.

I was an enthusiastic fan and parent watching all the great volleyball action at the Jr “A” Girls Zone championship at College Heights Secondary School! Big thanks to the coaches, teachers, officials and parents for a good season!

Along with my fellow trustees, I was a part of the College Heights Family of Schools meeting on Wednesday November 13th. There are so many positive stories and great work happening in our schools every day and I’m especially proud to be the Trustee Liaison of this family of schools!

I took part in the Management and Finance Committee meeting on Monday November 18th at the Board office.

I had a fun evening watching my daughter Sophia and the rest of the grade 12’s at the Duchess Park Secondary Grad fashion show on Thursday November 21st. A big shout to the students, staff and parents who put on an entertaining and engaging show!

Along with Trustees Bekkering, Derrick and senior staff, I attended the “Balhats” at the House of Ancestors on Friday November 29th. What a unique and amazing experience for all of us!

November 4th
Making Sense of Anxiety in Youth and Children with Dr. Gordon Neufeld.
A very interesting course, the anatomy and working model of the human alarm system. One line
that stuck with me “anxiety is eyes without an alarm”. Thank you to Kairyn Russell-Janecke
and all the educators for attending. I am looking forward to the next session, which is on
December 4th.

November 8th
Attended the Remembrance Day Ceremony at both Mackenzie Secondary School and Morfee
Elementary School. It is always a pleasure watching the students engaged in a thoughtful way.

November 18th
Invited to the District of Mackenzie, Committee of the Whole meeting. The District of
Mackenzie wanted to convey their thanks for the hard work of the School District and a special
thank you to Trustee Bennett.

November 28th - 30th
Attended BCSTA Academy with my fellow Trustees Bennett, Thompson and Warrington, always
a learning experience for me.

Dear Ms. Michell,

Re: First Nations Child and Youth Advocacy Centre

As a member of the First Nations Child and Youth Advocacy Committee, the Board of Education will continue to support the development of a First Nations Child and Youth Advocacy Centre in Northern British Columbia.

We look forward to working collaboratively in a positive and respectful manner with the Carrier Sekani Family Services as this project continues to move forward.

Sincerely,

Tim Bennett,  
Chair, Board of Education
