POLICY 4151.11

WORKERS' COMPENSATION CLAIMS

APPROVED: 1969.12.09

REVISED: 1999.12.14

POLICY

Absence due to accidents that are covered by Workers' Compensation shall be treated in the same manner as any other sick leave, except that the employee shall place a claim for Workers' Compensation and shall assign any benefits payable to the Board. Upon receipt of any Workers' Compensation claim, the employee's sick leave shall be credited with the same number of days as have been recognized by the Workers' Compensation Board.
