School District No. 57 (Prince George) is changing the Central Interior Distance Education School (CIDES) and the Continuing Education Program (COED) to 10-month schedules, effective June 28, 2019.

Currently-registered students are encouraged to complete their courses by June 28, 2019. Support will be available to CIDES students who require more time to complete courses over July and August. Support will include assessment, feedback and testing.

A summer schedule will be published in June at <https://www.sd57.bc.ca/school/cla/de/Pages/default.aspx>.

Registrations for CIDES and COED will continue over the summer of 2019. The expectation is that students will finish their courses by June 2020.

Please note that the Adult Learning Centre will be closed in July and August 2019 for COED students.

Any questions or concerns about the changes in the CIDES and COED programs should be directed to the CLA Administration email at cla_admin@sd57.bc.ca. Enquiries will be handled on a case-by-case basis.

Please refer to the CLA website at <http://www.sd57.bc.ca/school/cla/Pages/default.aspx> for any further updates on the CIDES and COED programs.

Sincerely,
