## THOUGHTS

### Top 3 Thoughts

**We should be teaching kids practical life skills before they graduate.** We don't want them to be unprepared-nutrition, budgeting, time management and so on.

4.5  (47 )

Ranked #1 of 618

**I think creating a course for finances is important** Because we need to learn how to do adult things that we will be having to do everyday in our life.

4.5  (46 )

Ranked #2 of 618

**All schools should be a place where all children feel safe, feel supported, and feel cared about.** If these basic needs aren't being met, how can we expect positive educational outcomes for all students?

4.4  (49 )
