Dear Parent/Guardian

In the past you have told us that your child has Aboriginal Ancestry. We are looking forward to providing your child exciting and inclusive programs/events during the 2019-2020 school year

If you would like to look closer at our programs and services, please read the pamphlet we have attached to this letter or visit the District Aboriginal Education Department website at: www.abed.sd57.bc.ca

Each year we must ask you to tell us if you would like your child to be supported by the Aboriginal Education Department.

! This letter is different from the letter last year. Last year if you didn't sign the letter it meant that you wanted your child to be supported. **This year you need to sign the letter and send it back to the school if you want your child supported.**
