

Dear StrongStart outreach families,

We are sad to say that Beverly StrongStart has a temporary ECE vacancy. We acknowledge that this may be difficult for families and we are working on filling the positions. We look forward to connecting with families at the schools soon.

If your family would like to attend a different StrongStart, please complete this form and we will connect you with another program.

If you have any questions, please contact the office or watch the website for updates.

Sorry for the inconvenience,
