Aug 31, 2020

Dear Beverly Families,

We are working hard to get ready to welcome everyone back and I wanted to share a few things with families at this time.

1. The school district has released its reopening plan. It was emailed to families and it is posted on their website. They continue to update this with the most current information available. Please continue to check the website.

2. **Please call or email us at the school if you are moving, will be away in September or are not planning to return.** Mrs. Gregg and I will be back in the office as of Monday, August 31st. Our phone number at the school is 250-964-9311. If you know any families that have moved into the neighborhood please encourage them to call us so we can register them.

3. We are still clarifying our plan for the first week of school. Staff will be in on Tuesday and Wednesday to prepare and students will be invited back for an orientation and welcome on Thursday or Friday. **All students will be in their classes full days beginning Monday, September 14th.** The kindergarten students will have an orientation time as well and then move into gradual entry beginning on September 14th.

Students will attend orientation based on last name according to the following schedule;

Thursday September 10th from 9-10:30: A to F

Thursday September 10th from 12:30- 2:00: G to M

Thursday September 10th from 8:30-9:30: all new Kindergartens

Friday September 11th from 9:00- 10:30: N to Z

Classroom teachers will be contacting families prior to Thursday to let you know where to meet the teacher and to answer any questions you may have.

****Please note that busing will not begin until Monday Sept 14th**

4. I have attached the supply lists for the upcoming year for those families that may have misplaced it in June. This year Kindergartens also will have a supply list and will not be able to purchase through the K teachers. (Lists are also posted on the website)

Finally... please know that all of us will do everything we can to ensure that your children are as safe and cared for as they can possibly be here at Beverly. We are looking forward to welcoming kids back and getting back to in class learning. I am so looking forward to seeing you all,

Tracy Kettles

Principal, Beverly Elementary
