

Parent/Teacher Interviews

October 27, 2021

Hadih / Hello Parents and Guardians,

We would like to welcome you to College Heights Secondary's October Parent Night. We appreciate your support in helping your child have a successful year. Our purpose is to communicate information about your child's progress, answer your questions, and to hear your concerns.

Due to COVID-19 restrictions, this year we are organizing our Parent Teacher Night as a blended model between in-person and virtual meetings. In-person meetings will occur in the gym, multipurpose room, or individual classrooms. A map will be provided when you arrive at the front door. Please see list of teachers providing in-person or virtual meeting.

- **Masks are required to be worn by everyone and must be worn at all times.**
- **Hand sanitizing and contact tracing sign-in will be required by all visitors.**
- **No food or drink is permitted while inside the school during events.**

Schedule:

5:00 to 5:50pm – Parent Last Name **A to L**

6:00 to 6:50pm – Parent Last Name **M to Z**

If your teacher is providing in-person meetings, please take a moment to find their location in the school. A floor plan will be available at the door to assist you in locating your child's teacher. If your teacher is providing virtual meetings, then they will be contacting you with details and scheduling information.

We ask you to limit your interviews with teachers to 3 or 4 minutes in consideration of other parents. If a more detailed discussion is required, our teachers will be pleased to make an appointment for a future meeting.

We look forward to this opportunity to connect with you and will be here to help answer questions you may have.

Mussih Cho / Thank you very much

P. Child
Principal

D. Hicks
