

Student Focus: Nohl Freeman

Hi my name Nohl Freeman, and I am Born and raised Prince George. I did move to to Victoria, but I really wanted to come back to PG.

I feel super lucky to be attending College Heights Secondary, I could not have had a better High school. My dad is cree and my mom is Irish.

During my time here at CHSS, I have tapped into my culture doing drumming classes done volunteering to help others make pouches and bracelets.

One opportunity that had a great impact on me during my time high school was an exchange trip to Japan. Bonding with friends in a different environment, exploring the world outside of BC, was a life changing moment. There is a lot more out there beyond BC.

I love traveling the world. Places I want to go to are New York, Vietnam and Thailand. I love sky rises and skylines and big city life.

My message to people is to take the opportunities that come your way and try to make a positive impact in life. Nohl wants to persue a career in law enforcement and will begin pursuit next year at CNC and UBC. College Heights is very proud of Nohl for all that he has had contributed to our community and we are excited to see his future accomplishments and endeavours.
