DUAL CREDIT PROGRAM

APPLICATION PACKAGE

UNBC/School District 57

Dual High School/University Credit Program

School District 57 students entering grade 12 who are in good standing, and have the recommendation from their principal or guidance counsellor, may enroll with UNBC during their grade 12 year in order to earn credits that can be used jointly as elective credits towards high school graduation and as first year university credit towards a degree. This program is designed to allow high school students the opportunity to gain first-hand experience in a university-level course while at the same time earning credits towards their high school diploma. High school students who successfully complete a course(s) can also apply the credits earned towards their future university degree. The courses offered to School District 57 students will be first-year UNBC courses. In order to qualify for dual credit, the British Columbia Ministry of Education requires that the course be approved by a representative of School District 57 before the student registers for the course.

High school students wishing to take a UNBC course to obtain Dual Credit must be in grade 12 at the time that they begin their studies and must be in good academic standing at the time of application to the UNBC/SD 57 Dual Credit Program. In addition, students must obtain the signature of their principal (or counsellor) and a parent or guardian (if under 18 years old) indicating that they are capable of successfully completing a university level course.

While students may take up to three courses from UNBC for Dual Credit, they may only take one course at a time. Upon completion of the course(s), a transcript will be mailed to School District 57 (Prince George). It should be noted that successful completion of a Dual High School/University Credit course does not guarantee future admission to UNBC

UNBC/School District 57 Dual Credit Program Information for Students with Disabilities

Students with disabilities should identify themselves to the UNBC Access Resource Centre (ARC). Applicants should contact ARC at least 6 months in advance of their intended course start date and provide a copy of their Individual Education Plan (IEP) and current disability documentation to the Centre's Coordinator.

At the initial meeting between an applicant and the ARC Coordinator, the role of ARC will be explained and signed consents for release and exchange of information will be completed. These consents may be for School District staff, medical professionals or other agencies that may have completed assessments or consultations with the student.

The Access Resource Centre will then gather related documentation from the School District (SD) or other sources as needed. This information is required to assess the support needs of each student with disabilities attending UNBC.

ARC will then consult with individual school counsellors on a case-by-case basis regarding who best can provide the disability supports that are required. All accommodations required within UNBC classes, including exam accommodations, will be coordinated by UNBC.

Another meeting will be arranged with the applicant to discuss accommodations and support services that the applicant is eligible to receive through the School District and UNBC. School District staff will be invited to this meeting.

When completed, ARC will sign off on the Dual Credit Applicant form and return it to the UNBC Student Recruitment & Advising Centre. If accepted a standard accommodation notification will be sent to the course instructor and will be signed by the student, UNBC's ARC Coordinator and the school counsellor (if involved) in the delivery of supports and/or accommodations.
