DRY GRAD: May 2, 2022

The results are in from the voting of entertainment for the Dry Grad event, but they have been met with some obstacles. The class had voted on having a hypnotist, but he is no longer available.

The most popular venue voted on by the class was **Ness Lake Bible Camp**. This is a great choice because it will be an outdoor event, which does not require any vaccination procedures, so all are welcome to attend without contention.

Only CHSS students will be allowed to attend this event which will take place between 8:00pm and 2:00am

We are currently working on the details of coordinating this activity which will include things such as:

- Transportation details (Diversified Bus)
- Insurance
- Supervisors
- Cost

Taking the lead on this event will be Lee Holland and Amanda Langevin

These topics and others will be discussed during the upcoming meetings so please Zoom in to get your voices heard.

Next meeting will be held on January 25, 2022 using the same link.
