Dear Parents / Guardians:

Welcome back to school for this last stretch of the 2018-19 school year.

If your child is in grade 10, 11 or 12 and has already written the Provincial Graduation Numeracy Assessment, please disregard this letter.

As Ministry of Education regulations and graduation requirements have recently changed, your child is required to write the Provincial Graduation Numeracy Assessment. This assessment came into effect last year, and we attempted to have all grade 10 and 11 students write it. Several students didn't write it in June of 2018, nor in January 2019, so we are informing you and your child that the assessment must be completed before graduation.

Grade 10 students who are currently taking Math this semester and those have not taken this assessment last semester have been assigned to write the Provincial Graduation Numeracy Assessment on Friday, June 21st at 9 am in our Library.

Students in grade 11 or 12** who have not taken this assessment yet, have been assigned to write the Provincial Graduation Numeracy Assessment on Tuesday, June 25th at 9 am in our Library.

***** If your child is currently in Grade 12 and has not yet written this assessment, this is the last opportunity to write the Provincial Graduation Numeracy Assessment in order to graduate in June 2019.***
