

Let's talk about substance use!

Join us for this exploration of substance use.

This presentation aims to answer questions like:

- What are we even talking about when we say substance use?
- What are different types of substances that people might use?
- Why do people use substances in the first place?
- When does substance use become an addiction?

Join us for this virtual presentation to learn more.

When: Wednesday, May 25th

5:30p.m.–7:00p.m.

Registration: Email foundry@nbc.ymca.ca

by Monday, May 23rd
