PRINCIPAL'S MESSAGE

Welcome back and Happy New Year. I hope you all had a chance to spend time with family and friends over the break. With the new year comes new beginnings and here at Glenview we are looking forward to many learning opportunities for our students. Leadership started today and we thank Ms. Blokland for providing this opportunity to our students. Mrs. Gurney and Mrs. Masse will be coaching our boys and girls basketball teams and we are grateful to them for sharing their basketball knowledge with these teams. In the next week, Grades 6 and 7 students will have the opportunity to try out for Glenview's Quiz Me team and Ms. Dexter has been coaching floorball enthusiasts in the gym at lunch on Fridays.

Today we had a Lockdown **PRACTICE** at school. Being current in our safety procedures at school is of great benefit for the safety and wellbeing of our staff and students. Your child may talk about this tonight at home and I just wanted you to be aware that it was just a practice and no threat was issued

Mrs. T. Cole

EARLY DISMISSAL

In order to facilitate parent/teacher interviews, all classes will be dismissed at 1:37pm on Jan. 21, 22, 23 and 24. If possible, we ask that parents who would normally pick up their child from school, please pick them up at 1:37pm on these days and students who normally walk home will be expected to do the same. Supervision of students will be provided between 1:37pm and 2:37pm for those students who ride the bus or those students in homes that do not have access to child minding at that time. All busses will run at their regular times.

PARENT TEACHER INTERVIEWS

Notices have been sent home to let parents know meeting times for this year's parent/teacher interviews. Every effort has been made to group sibling meeting times together. If you need to change your appointment time, please call Mrs. Marsolais @ 250-962-9669.

DIV. 10

Mr. Scheck's class has been taking part in a Woodwork and Chef Trades Program at John McInnis Trades Centre. Students spend five sessions working in the woodshop and five sessions in the foods kitchen. This has been a very positive experience for our students and we have seen some awesome stools that have been made in the woodshop and some delicious looking dishes made in the kitchen.

Winter Weather Policy

POLICY 3541.35 Student safety shall be the primary concern that determines actions taken as a result of cold or inclement winter weather.

REGULATIONS:

1. Schools shall not be closed because of cold or inclement weather.
2. On days when student attendance is reduced substantially because of cold or inclement weather conditions or because travel is considered treacherous, regular scheduled instruction may be modified for those students who attend school.
3. School bus service will not be cancelled because of cold weather.
4. Individual bus runs may be cancelled for the day (morning and afternoon runs) because of dangerous road conditions.
5. The decision to keep a student at home for the day because of winter weather conditions shall be made by the parents.
6. Students shall not be expected to wait for a school bus for more than fifteen minutes past the scheduled pick-up time. If the bus has not arrived by that time, students should return to their homes or to another prearranged place of shelter.

THANK YOU

I would like to thank the many parents who follow the parking guidelines at Glenview by parking in a parking stall to drop off their children. I want to remind parents that there is a no parking zone on Cluff Road and that we do not want you dropping off your child at the crosswalk or stop sign. Pulling into a parking stall may take an extra minute or two of your time, but keeping our students safe is well worth the time. Also, all children and parents should be crossing at the crosswalk and not cutting across the bus lane. Please follow these parking lot rules so that our parking lot is safe for students and families.

IN OUR COMMUNITY

Please find attached a pdf of the City of Prince George -January 28 Pro D/NID School Break Flyer. The flyer is produced as a community service by the City of Prince George and promotes recreation, fitness, culture and education, and is a valuable resource for parents looking for activities that children can be involved in during Non-Instructional Days and breaks. The flyer is also available on the City Of Prince George website at www.princegeorge.ca/schoolbreaks

Information on the FREE Family Night at Nusdeh Yoh is attached (in partnership with the City of PG & PGNFC).

Denise Findlay will be speaking about "Helping Children Grow up". Helping Children Grow Up focuses on how to help children realize their potential as human beings. Since growing older is no guarantee of growing up, knowing how to foster maturation is key to raising children.

Some community members are bringing their dogs onto school property and are not cleaning up their messes. According to City Bylaw, no animals are permitted on school grounds. We would like full cooperation from our community as it is very unpleasant to have students step or fall into animal feces on the school grounds. Thank you for your cooperation with this matter.

SEVEN SACRED TEACHINGS

Each month our school will focus on a different teaching and for the month of January, the teaching is RESPECT. The animal that represents this teaching is the BISON. Respect should not be expected, but earned and respect is also reciprocal; that once it is given, it is returned.

LOST AND FOUND

We have a number of items in our lost and found. During the week of early dismissal, we will have items in the hallway. Please check out the lost and found and if anything belongs to your child, please collect it. Items that are not claimed will be donated to Good Will.

PAC MEETING

The next PAC Meeting will be held Wednesday, February 6 at 6:30 pm in the library. We hope to see you there.

GLENVIEW ROCKS!!

SCENT FREE

Please be aware we have a few staff members that have sensitivities to perfume. Please avoid using any hair products or body lotions that are scented.
