Tuesday, June 25

Band Performance @1:30 pm

Thursday, June 27

Year End Celebration
@10:45am

Thursday, June 27

Last Day of School
Summative Reports go home

A SPECIAL THANK YOU

I would like you to know that I will not be returning as the Principal of Glenview Elementary in September. I would like to take this opportunity to thank the students, staff, parents and Glenview community for the support you have offered me during my memorable two years here. It has been an honour and a privilege to work in this amazing community. From academic achievement to extra curricular activities to the building of our new parking lot and addition of our new playground, I am very proud of all the work that has been accomplished during my time at Glenview. Glenview Elementary will always hold a special place in my heart as it is where I "cut my teeth" on being a new principal. In September, I will be the Principal of Van Bien Elementary - the school where I first started my teaching career in 1991. Glenview's new principal, Ms. Anjula Corbin, will be here to greet staff, students and families in September 2019.

PRINCIPAL'S MESSAGE

It is hard to believe we are in the final month of this school year. The month of June is a busy one. Keeping students focused on learning can be more challenging with all the sunshine and warm weather. Together we can help keep learning a priority by keeping to the routines and structures in place at home and at school. Last week, Glenview hosted Ms. Christine from Luv2Groove. The students had a wonderful day learning dance moves and performing for their peers in a school wide performance. A number of classes have field trips booked and it is nice to see students enjoying what our community has to offer - outdoor recreational opportunities and community facilities like Exploration Place, the Roll-A-Dome, Aquatic Centre and Four Seasons Pool. It is going to be a busy time from now until the end of the school year so please make sure you are checking your child's planner for the most up-to-date information on class activities, field trips and school events.

Mrs. T. Cole

SEVEN SACRED TEACHINGS:

The Sacred Teaching we will focus on this month is Truth and is represented by the Turtle.

BELL SCHEDULE

Warning Bell:	8:40am
Start Time:	8:45am
Recess	10:20am - 10:35am
Lunch	12:15pm - 1:00pm
Dismissal	2:37pm

Glenview is a NUT AWARE School.

Please do not send any nut-based food products to school.

JUMP ROPE FOR HEART

Glenview exceeded its Jump Rope for Heart goal and raised **\$3,635.89**. Congratulations to our 57 participants who collected donations and skipped the afternoon away for a great cause. A big thank you goes out to all who donated funds and to Mrs. Jones and the Leadership Crew who helped organize this event to make it a huge success.

Our top three individual fundraisers were Olin W., Fay N. and Braden P. The division that raised the most money was Mrs. Harris' class.

KRSS FAMILY FINE ARTS NIGHT

Last week, Kelly Road Family of Schools hosted its Fine Arts Night. Mrs. Gurney's class displayed some fabulous artwork and among the featured performances on this entertaining occasion were our band and members of our dance academy - Together We Move. Judging from the rave audience reviews, everyone will be coming back next year for more!

THE RETURN OF SENSEI BRUCE

Sensei Bruce Kamstra, former Canadian Judo champion and head sensei of the Hart Judo Academy, returned to Glenview in May to give students another series of judo lessons. From the energy, enthusiasm, and skill shown it looks we may have some future Canadian champions in our midst! We would like to thank our generous PAC for providing this opportunity to our students.

PAC COMMUNITY BARBEQUE

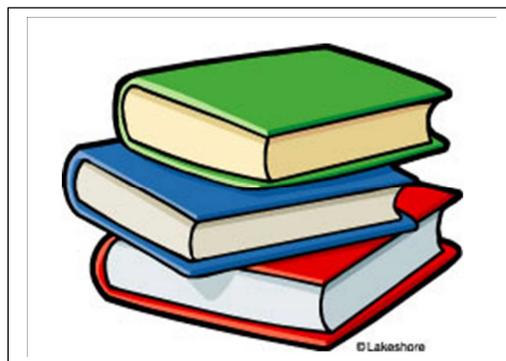

I'd like to send a huge thank you to our generous PAC for sponsoring such a great Glenview community event. The burgers and hotdogs were tasty, the cake walk was a hit, the company was great and the weather was perfect. It was a wonderful opportunity to connect with our neighbours and celebrate the building of our new parking lot and playground.

GLENVIEW LIBRARY

This week of June 3-7th is the last week for children to check out library books. All students need to bring their library books back to the library by Friday, June 14th. Bill notices will be sent home starting June 19th, so please start looking for any missing or overdue books.

Places books like to hide:

- Under your bed
- In old backpacks
- In toy boxes
- In dresser drawers
- In the closets
- In the family room
- in bedside tables
- On the kitchen counter
- On top of the fridge
- At a relative's house
- In the car
- On your bookshelves
- In the dog's bed!

LITTLE MUDDER - June 13, 2019

Our Little Mudder athletes have been training hard and we wish them luck when they compete in the competition next week. Thank you to Ms. Blokland, Ms. Dexter, Mrs. Schmeisser and Mrs. Blacker who have been working with these competitors.

FUN FIELD DAY

We will be having a fun field day (formerly Sports Day) on **Friday, June 21** in the morning. More information will come home closer to the date.

BAND PERFORMANCE

Our band will perform for our school on Tuesday, June 25 at 1:30. Parents are welcome to attend this event.

YEAR END CELEBRATION

Our year end assembly will be on Thursday, **June 27 at 10:45 am**. At that time we will be recognizing the great efforts of our students in a number of different areas:

Awards for academic, athletic and artistic excellence

Awards for service and leadership.

In addition to saying farewell to our Grade 7 graduates, we will also have a drumming performance by Divisions 2 and 4 and watch a year end slideshow. We invite all parents to join us for this celebration.

FIELD TRIP PERMISSION FORMS

June can be very busy for field trips. In order to ensure the safety of all our students, students **must have SIGNED field trip forms** in to their teacher or office for processing **before** the day of the field trip. Any student who does not have their form in by this point may **NOT** be allowed to go on the trip. **Phone calls home for verbal permission will not be allowed**. These expectations help us to ensure the safety of all students and helps the group to be organized before leaving the school.

COMMUNICATING STUDENT LEARNING

Final Summative Report

At the end of the school year, parents will receive a final written summative report. The purpose of the summative report is to outline and summarize the child's achievement for that school year. The summative report will contain information about the child's strengths and areas the child is working on. It will also provide information on the child's achievement and performance in relation to age/grade expectations. The summative report may provide information on ways to support the child at school and home. Intermediate students will receive letter grades on the summative report.

Core Competencies Self-Assessment

The final written summative report will also include a student self-assessment on the Core Competencies. The Core Competencies underpin all provincial curricula and are relevant to the development of educated citizens. The process of self assessment can build student ownership and voice and give students increased responsibility for the acquisition of these competencies. Through self-assessment, students can set yearly learning goals and identify ways in which they will further acquire and develop increased skill and ability in these areas.

GLENVIEW ROCKS!!

**SCHOOL DISTRICT NO. 57 "HER TIME"
COMMUNITY EVENT**

*Community members and agencies, educators,
parents/caregivers all encouraged to attend!*

Where: College Heights Secondary Multipurpose Room
When: Thursday, June 6th, 6 p.m. to 8 p.m.

What is Her Time?

Her Time is an anti-gang initiative developed by Anisha Parhar and Sandy Avelar, Gang Crime Detectives from the Lower Mainland with a combined 36 years of law enforcement experience. Their presentations are current and include personal stories from females who have been subject to the world of organized crime.

What does Her Time Do?

- Provides women and young men with tools, resources and knowledge on the dangers of gang lifestyles.
- Delivers powerful presentations to both elementary and secondary students, as well as parents/caregivers and community members.
- Provides opportunities for women involved in gang lifestyles to communicate with the Detectives, who can help them with exit strategies. There are **no other** programs run by two female officers that target issues with females involved with gang lifestyles.

Preventing Crime Together
