FIELD TRIP PERMISSION FORMS MUST BE HANDED IN

May and June can be very busy for field trips. In order to ensure the safety of all our students, students must have SIGNED field trip forms in to their teacher or office for processing before the day of the field trip. Any student who does not have their form in by this point may NOT be allowed to go on the trip. These expectations help us to ensure the safety of all students and helps the group to be organized before leaving the school.

LIBRARY BOOKS

It's getting to be that time of year when we start doing inventory in the Library. Please help your child look for any overdue books that he/she may have. Otherwise, we will be sending home bills to help with the replacement cost of these lost books. Thanks in advance for your cooperation!

BIKES/SCOOTERS

With the spring weather comes the bikes and scooters. We remind students that helmets are needed to ride their bikes and scooters and bike safety rules need to be followed. When coming onto the school grounds please get off your bike and walk it onto the grounds directly to the bike rack and lock it up. We do not have the space to store skateboards or scooters so please leave them at home. Thanks!

TALENT SHOW

The Polaris Montessori Talent show will be held on Friday, June 14. Come and enjoy some of our very talented Montessori students!!

NEXT YEAR??

If you are planning on moving before September 2019, please let the school office know as soon as possible. We have begun our planning of classes for next year and need to know if your child(ren) will not be attending Polaris Montessori. Thanks to those parents who have already contacted us. It is a big help!
