Hadih/Hello!

Spring has sprung – most days!

We are so excited to see the sun shining and students enjoy the extra daylight! A big THANK YOU to those students who have started garbage pickup in on our playground – very appreciated!

We are starting to plan for the 2022-2023 school year already! Currently we are working on time tables, schedules and staffing. For student placement, we will be working as a school team, consisting of administrators, classroom teachers, resource teachers and our school counselor.

As a team, we will be focusing on the follow factors for student placement: learner profiles, inclusive education designations, positive peer relationships and educational assistance required.

With these factors in mind, the school team will be creating next year's class lists to best meet the needs of all our students.

We will not be accepting parent requests moving forward.

Throughout the next few months, we will be planning Relays in May, Sports Day in June and the Grade 7 Celebration!

Stay tuned for more details!

Mussi/Thank you!

Student Learning Survey 2021/2022

The Provincial Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents/guardians/caregivers, teachers, and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

Early in **2022** the Student Learning Survey will be administered to students in grades 4 and 7, their parents/guardians/caregivers, and all school staff. We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the Province – in addition, questions from the school and/or district that focus on local conditions or issues may be included.

The survey can be completed electronically and can be accessed on the Internet at http://www.bced.gov.bc.ca/sat_survey. Any computer with an Internet connection can be used, and access to the e-survey is simple and secure. The survey can be accessed through the link with or without an anonymous logon code by selecting the school district and school name where your child attends school. Provincial, District and School Reports for previous years can be viewed at the same site under the *Results* section.

The e-survey site will be open until April 29th.

If you have any questions, please contact the school at 250-962-9211.

Parent Advisory Council (PAC)

Hart Highlands Elementary parent(s)/guardian(s) are encouraged to join the PAC and contribute their ideas and energy to our school community. The next meeting will be held on: **Wednesday, April 20th at 7:00pm and will be by zoom.**

We would like to remind parents that it is early dismissal on **April 26th and April 28th**. **Students will be dismissed at 1:32PM and will need to be picked up or walk home at this time.**

Bus students will be dismissed at the regular time.

Your child's teacher will be in contact with you regarding the Interview formats.

Rogers Hometown Hockey is Coming to PG!

To help celebrate, we will be having a jersey day **on Friday, April 8th** - any jersey at all, not just hockey.

We will also be collecting non-perishable foods to try and fill a hockey net. The school who collects the most food will win a prize package and school visit from Hometown Hockey. We will be starting to collect food on Monday, and continue until **April 11th**.
