From the Principal's Desk

Well we had certainly enjoyed some beautiful weather over the last couple of weeks. Now that the rain is upon us please remember to send extra clothes in case students get a little too wet!!! As most classes continue to use the outdoors for learning it is important that students are prepared for this!!!

We are lucky to have had and will have some cultural events in the next couple of weeks. Classes have and will be enjoying JessDance, Tribal Vision and Kim Gouchie. As well, Ms. Edmunds continued to work with classes teaching Lahal with Ms. Lunden from the Indigenous Education Department.

Student Led Conferences were to have taken place in March however, we have decided to do them differently. Your child's teacher has sent home information for you to learn alongside your child about lessons/activities or projects they will be sharing with you. Thank you for going over this and sending it back with your child.

We continue to focus on BRAVE (Bold, Resilient, Accountable, Versatile and Empathetic) and WITS (Walk away, Ignore, Talk it out, Seek help). WITS is a great problem solving tool when working out our problems with others. Please do not hesitate to talk with your children about that this looks like for them.

And finally, we continue to thank parents for working in partnership with the school daily to ensure students have healthy lunches, outside activity and limited screen game time.

Sincerely

Brenda Anderson, Principal

L'Donna Lynds, Vice-Principal
