« UN POUR TOUS, TOUS POUR UN »

The following lists contain the basic school supplies for our intermediate students for 2021/2022. Each classroom teacher may have a few extra items required for their class in September. Please also remember that these supplies may need to be “topped up” periodically throughout the school year so that your child has all of the necessary equipment to be successful. We ask that you remember to label ALL items with your child’s name.
