« UN POUR TOUS, TOUS POUR UN »

The following list contains the basic school supplies for our Primary students for the 2022 – 2023 school year. Each classroom teacher may have a few extra items required for their class in September. Please, also remember that some of these supplies, especially pencils, may need to be “topped up” periodically throughout the school year, so that your child has all the necessary equipment to be successful. We ask that you remember to label ALL items with your child’s name.
