SCHOOL RESPONSE to the FEEDBACK/RESULTS provided by audience group (3 to 5 sentences):

Over 60 individual statements from a Parent Engagement Survey, Staff Surveys, and a working session with our grade 6's and 7's in the fall were organized into themes during two staff meetings. From the themes, staff focus groups drafted values statements. Similar statements were combined and edited for focus and clear language. Key words from these statements were translated into Dakelh. **These value statements summarize who we are, what's important, what matters, and what counts at Nukko Lake Elementary. These statements will guide students, staff and parents in decision making each day.**
