Hadith—

Wow! Has the first month of the school year ever flown by. We have had a very nice start to the school year and we would like to thank our students, staff and families who have worked hard to get us off on the right foot. This month we recognized Orange Shirt Day as a community. It was a powerful day and we thank everyone who came together in the spirit of reconciliation as we work to improve outcomes for all students —

Musícho!
