

## School Bus Emergency Evacuations

### Notice to all School District 57 bussing Schools.

Please add this notice to your next newsletter.

Dear Parents / Guardians

During the week of October 21-25, 2019 all school busses in the district will be conducting Emergency Evacuation drills on the PM school portion of their runs. These drills will be conducted on school property. This could delay the arrival home of your child from thirty (30) to forty-five (45) minutes. Emergency Evacuation drills are required by law and are designed to give your child practice in what to do in the event that an Emergency Evacuation is necessary. Thank you for your understanding and cooperation.
