Dear Parents,

Our district is committed to tracking student learning throughout each student's career in School District 57. As such all of our grade 9 students will be writing the CAT 4 test. This test will give us a better idea about where each student is at in terms of reading, writing and computation. We use this information to put in extra supports for your child. This year our CAT 4 test for grade 9 students will be taking place during exam week. Attendance for these tests is mandatory for all grade 9 students.
