
PGSS GRADE 8 PROGRAM

Grade 8 is an important transition year for students. You are entering a dynamic atmosphere. High school is a time to explore options and experiences as you make your way through your educational journey. In Grade 8, all students will take the required Foundation Studies and an Explorations Elective.

Foundation Studies (Required)

- Humanities 8 (full year course, English and Social Studies)
- French 8
- Mathematics/Discovery 8

Mathematics/Discovery 8 is a full year course. Students will do the equivalent of three terms of math and one term of a Discovery elective (focusing on Digital Literacy/My Blueprint) within the yearlong cycle

- Physical Education 8
- Science 8

Electives (Fine Arts and Applied Skills):

Students will be assigned an Explorations Elective in Grade 8. Explorations consists of four 5 week courses, two in the area of Fine Arts and two in Applied Skills.

Fine Arts (may include Music, Art, Drama, and Jewelry)

Applied Skills (may include Tech Ed General, Textiles, Foods, Woodwork, Electronics, Digital Media, and Metalwork)

PGSS offers a *Hockey 8* as a semester course. There are two courses for hockey: Beginner Hockey or High Performance. *Note: Students will need to be dropped off by a parent/guardian at the Kin Arenas for an 8:15am start time 3x/week for Beginner Hockey 8. Transportation on the PGSS hockey bus will be provided to the school after hockey class. Note: Students are placed by staff into High Performance Hockey 8 - if you think you should be considered, please list YOUR team and coach for hockey this year:*

Check the box if you would like Hockey 8
