## Principal's Message

Hadih/Hello Parents and Guardians,

My name is Richard Bruce, and I am the new principal at Pineview. Mr. Schwartz will be missed, as he has moved to McBride to begin a new adventure. I am looking forward to a great year. Over 20 years ago, I began my teaching career at Pineview when I taught a grade 7 class. It's great to return in a new role. I'm excited to meet all of the Pineview Elementary students and families.

**Sept 6<sup>th</sup>:** Grades 1-7 students will meet in the gym and will attend from 8:30am-10:00am. Kindergarten students will attend from 9:00am-10:00am

**Sept 7<sup>th</sup>:** First full day for Grades 1-7 students. Kindergarten students will follow their gradual entry schedule until Sept 20<sup>th</sup>.

Please note that although we hope all students remain in their initial class placement, reorganization of classes is possible up until September 30<sup>th</sup>. We look forward to a great year of learning. Please contact me if you have any questions or concerns.

Richard Bruce

### *Fair Notice for Students*

#### ***What behaviours initiate a student threat assessment?***

A student threat assessment will be initiated when behaviours include, but are not limited to, serious violence or violence with intent to harm or kill (clear, direct, plausible), verbal/written threats to harm/kill others, Internet website/MSN threats to harm/kill others, possession of weapons (including replicas), bomb threats, fire setting, sexual intimidation or assault, and/or gang related intimidations and violence.

#### ***Duty to report***

To keep school communities safe and caring, staff, parents, students and community members must report all threat-related behaviours to the school principal (or designate).

#### ***What is a threat?***

A threat is an expression of intent to do harm or act out violently against someone or something. Threats may be verbal, written, drawn, posted on the Internet or made by gesture. Threats must be taken seriously, investigated, responded to and followed up on.

#### ***What is a Site-Specific Threat Assessment Team?***

The school has a site-specific threat assessment team that may include the principal (or designate), school/district counsellor(s), District Behaviour Mental Health Clinician, teachers, a member of the police, and a member from MCFD.

#### ***What is the purpose of a student threat assessment?***

The purposes of a student threat assessment are:

- To ensure the safety of students, staff, parents and others.
- To ensure a full understanding of the context of the threat.
- To understand factors contributing to the threat makers' behaviour.
- To be proactive in developing an intervention plan that addresses the emotional and physical safety of the threat maker.
- To promote the emotional and physical safety of all.

#### ***What happens in a student threat assessment?***

All threat making behaviour by a student shall be reported to the Principal (or designate) who will initiate the threat assessment response. Once the team has been activated, interviews may be held with the student(s), the threat maker, parents and staff to determine the level of risk and develop an appropriate response to the incident. Intervention plans will be developed and shared with parents, staff and students as required.

#### ***Can I refuse to participate in a threat assessment process?***

It is important for all parties to engage in the process. However, if for some reason there is a reluctance to participate in the process by the threat maker or parent / guardian, the threat assessment process will continue in order to promote a safe and caring learning environment.

#### ***Collection Notice***

The School District is subject to personal information privacy laws, and will undertake the collection of this information in compliance with the requirements of such laws, including by limiting collection to information that is relevant and necessary to address a risk or threat and by ensuring that information is collected from online source is only obtained from open source sites. The School District will not collect information as part of a threat assessment unless there is reason to believe that a risk exists. Information collected as part of a threat assessment may be provided to law enforcement authorities in appropriate circumstances.

## Fair Notice regarding social media information

A search by school officials of a student under their authority or a search of student property may be undertaken if the school has reasonable grounds to believe a school rule has been or will be violated, and that the evidence of that violation will be found in the location or on the person of the student being searched. Students know that their teachers and other school authorities are responsible for providing a safe learning environment. As a result, they must know that, where reasonable grounds exist, this may require searches of students, their lockers and their personal effects and the seizure of prohibited items.

Students should also be aware that the schools may collect, use and disclose personal information about students for the purposes of investigating and addressing student misconduct, and safety. Such collection and use of student information may include information that is obtained from witnesses or collected from other secondary information sources (e.g. social media). All personal information of students collected by the school will be collected in compliance with and under the authority of the Freedom of Information and Protection of Privacy Act (ss. 26(a),(b), and(c)) and the School Act. Questions about the collection, use or disclosure of student personal information should be directed to the Data Management and Privacy Officer.
