Dear Parents,

There has been another report of a suspicious white pickup truck, this one at Quinson Elementary, made by a member of our staff.

On Friday, March 1st at approximately 2:40, it was reported that a white pickup truck pulled into the bus lane at Quinson Elementary. The engine was left running. Our bus had not yet arrived. When the staff person approached, it drove away slowly (East on 2<sup>nd</sup> Ave). It had a dirty tailgate. The truck turned north on Quinn and pulled into a driveway but immediately pulled out and went South. It was in sight of the school until 2:55. It drove very slowly the whole time it was in the area.

This particular incident has been reported to the police (File # pg19-6731).

This report has prompted our staff to again reinforce safety protocol with all of our students. Teachers have reminded students to walk in groups or with a friend and go to a safe place if feeling threatened and to let their parents know immediately.

Parents, please talk to your children about safe practices to use when/if they are approached by a stranger and to remind them to never get into a vehicle with anybody without your permission.

If you have questions, concerns or information, please contact the school.

Sincerely,

Robin Warner
