We respectfully acknowledge the unceded ancestral lands of the Lheidli T'enneh, on whose land we live, work and play.

### Dear Shas Ti Kelly Road Families:

I hope our students and families are well and had a restful, healthy winter break. Hopefully, the weather will continue to warm up as we venture into mid-January which will allow us to enjoy some outdoor activities more.

I appreciate your patience to start the new year as we planned with our school district and staff for our students' safe return to school on Monday, January 10th. This pandemic has caused a number of short- and longer-term adjustments at Shas Ti Kelly Road, and our students, staff and families have done a great job of supporting our school community.

When students returned on January 10th, we continued to emphasize the procedures and behaviours that we have implemented this year to make our school community as safe as possible, and we have reviewed additional safety measures we now have in place.

It is important for all students to do a daily health assessment and ensure that they stay home if not feeling well or if they show any symptoms of illness. Any students that may develop illness or symptoms during the day, will be asked to isolate until parents/caregivers are notified to arrange a pick-up plan. In these cases, a student can then follow public health guidelines.

Our school continues to require that students, staff and visitors wear masks at all times in the school. People will be asked to sanitize and/or wash their hands as they enter the school and practice hand hygiene throughout the day by washing and sanitizing their hands frequently. We will also continue to ask students to allow for safe distance amongst themselves and we will continue to clean our building diligently, including cleaning and disinfecting frequently touched surfaces.

As we continue to follow the guidance of the Provincial Health Officer, Northern Health, and SD57 Communicable Disease Guidelines, we will have our additional safety measures in place until at least January 28th (end of semester 1) and until further notice, based on the guidance we receive.

Please note our bell schedule for January 10th to January 28th to complete semester one. The last day of semester one is January 28th and semester two begins on February 1st.

### Monday-Friday Bell Schedule

January 10 - 28, 2022

Your STKR Admin Team

### Counselling Department

With second semester approaching, the counselling department wants to remind students that we are using the same online format for all course change requests. Many courses in the second semester are full with waitlists. Filling out the online form will ensure you are considered in priority sequence. To avoid unnecessary levels of traffic in common areas and the counselling office, the primary mode of communication for course changes will be via email. Please ensure the email address provided in the course change request form is accurate. Students will have to be patient and wait for their counsellor to email them regarding change requests.

You can access the course change request form at: <https://forms.office.com/r/HNYhzVA8t4> or by scanning the QR code posted around the school.

### Indigenous Education

Hadih Shaḡ Ti Kelly Road Students and Families:

We would like to extend a new year welcome to all of our students and families from all of us in the Gathering Place here at STKRSS. Our room is located centrally in the building next to the large carving on the wall in the den area. Our team was gifted with a new IEW at the end of November. Welcome Janine Sanderson. That makes four of us now.

Indigenous Education Workers: Anita Gray alphabet by last name A-L; Caralyn Hoffman alphabet by last name M-Z; Jennine Sanderson, culture focus

Indigenous Social Worker: Stacey Third

The school social worker supports students and families in multiple areas, counseling, advocacy, education, food/clothing/housing security and community referrals among other services. Stacey supports all of the Hart family of schools. Feel free to reach out to any of us with questions. We look forward to hearing from you.

January Highlights: Drumming - Patricia Lunden

*As we move into the new year, we are ever mindful of the teachings from our ancestors. We walk with understanding and kindness for one and other.*
