### Dear Shas Ti Kelly Road Families:

Welcome back and Happy New Year! We hope that everyone had a nice break and took the time to relax. As semester one comes to a close, students are preparing for their upcoming final assessments. We encourage all students to work hard and reach out to their teachers, counsellors, or administration for any support they need to be successful.

With semester two starting on January 30th, please note that class schedules will be handed out during the week of January 23rd. As well, keep an eye out for graduation assessment dates and information regarding our double blocks to support final assessments on January 26th and 27th.

We are excited to be back and hope you have a great January.

Sincerely,  
Your STKR Admin Team

### **Counselling Department**

With second semester approaching, the counselling department wants to remind students that we are using the same online format for all course change requests. Many courses in the second semester are full with waitlists. Filling out the online form will ensure you are considered in priority sequence. To avoid unnecessary levels of traffic in common areas and the counselling office, the primary mode of communication for course changes will be via email. Please ensure the email address provided in the course change request form is accurate. Students will have to be patient and wait for their counsellor to email them regarding change requests.

You can access the course change request form at: <https://forms.office.com/r/HNYhzVA8t4> or by scanning the QR code posted around the school.

### **Grad Photos – Clarke Action Photography**

Grad photos will soon be upon us and here are a few tips to remember to help make your photos shine!

**Due to the scheduling change, photos will begin Monday, Jan 30th after school and continue through 9 pm. We will repeat this schedule Tuesday and Thursday and hold an abbreviated session Friday after school if the other session fills up. We will hold a full day and evening session on Wednesday, Feb 1st as it's a non-instructional day.**

Guys should bring a dress shirt to change into and a favourite tie. There will be several ties and white dress shirts on hand if you need to borrow one, free of charge. It does add a lot of punch to your final photos!

Girls can also bring a dressy or casual shirt but with the flower bouquet, it's not as important. Coloured T-shirts don't work for anyone as they stand out like sore thumbs so please avoid these.

For buddy photos, feel free to bring any props to enhance your photo session. Any sports equipment works if you can hold it for your photos.

Want a photo with your dog or cat? Book a buddy photo session and we'll take their photo, too! Please make sure they're on a leash and are comfortable with strangers :)

Please follow this link to book your session: <https://book.appointment-plus.com/ct85h6k6/>

Payment for your session is due upon arrival by cash, credit or debit card. Sitting fees for solo sessions are \$40. Buddy photo sessions are \$20 flat rate.

**All photos will be online within 48 hours of capture. Links will be provided on photo day.** Any questions, anytime, please contact Lorne at Clarke Action Photography via [info@clarkeaction.com](mailto:info@clarkeaction.com) or call 778-675-2807

### **Automated Call Out – The “Robot Call”**

The “robot call” will call your house if your son or daughter has been absent from one or more classes. The call will not come to you if the student is late. To avoid getting this call, please call the school at 250-926-9271 to let us know of the absence. The automated call out can only contact one number.

#### **Lates**

If your son or daughter will be late for school, please call the school or send a note so that their attendance can be adjusted.

#### **Early Dismissals**

To dismiss a student early, for a planned event such as appointment, please call the school in the morning or send a note with the student to bring to the office. Advance notice of an early dismissal allows the office to give the student the slip to leave class when you need them.
