About our School

Shaḡ Ti Kelly Road Secondary School (STKR) resides on the unceded ancestral lands of the Lheidli T'enneh First Nation and it is an honour to live, work, and play alongside our indigenous communities in the education our students. We support Lheidli T'enneh students living on reserve through our Local Education Agreement. Geographically we are located on the north side of the Nechako River in the Hart community. Our Family of Schools includes STKR and five elementary schools: Glenview Elementary, Hart Highlands Elementary, Heather Park Elementary, Nukko Lake Elementary and Springwood Elementary. Our new building, which opened in the 2020/2021 school year, is an opportunity for school to continue to be a welcoming part of the community for everyone to enjoy. STKR has strong community support and an active Parent Advisory Council. We strive to offer the best possible educational services and programs to the students attending our school and to provide all students with support in meeting secured educational pathways as they graduate from high school. Along with an ever growing offering of courses, our school provides for outstanding Athletics Program, access to District programs such as the Career Technical Centre (CTC), the Canadian Sports School, dual credit programming with UNBC and CNC, after school art and sports programming including clubs, and more.

School Plan Engagement Process

Our engagement process plan will be designed to gather feedback from our school community on what is important for our students to learn, what is valued in the education of our students and what our priorities should be for this year and the years ahead. We will strive for an engagement process to provide us with input from our school community and that we can gather specific ideas from our staff, students, parents, rightsholders, stakeholders, and community at large. We want our process to include online and/or meeting exchanges of ideas and thoughts and conversations with our Parent Advisory Council, rightsholders, stakeholders and our local First Nations.

A summary will be provided to the school community at regular monthly meetings with our staff and school community, and at STKR Parent Advisory Council meetings. Shaḡ Ti Kelly Road Secondary will focus on:
