Sports Day

Sports Day is Friday, June 10th. The day will begin with students (and many staff) completing the one km run (as they have been practicing). Each student will receive a number indicating their finish. They will deposit their number in the bucket of their team colour. Then the students will travel as a class to nine stations where they will compete as a member of either Red, Blue, Green, or Yellow team. The teacher will have assigned the students to their respective teams. The focus at each station is participation, friendly competition, and fun. The station schedule is included with this newsletter. The letters indicate the station; the numbers are division numbers - so please check with your child to determine which division he/she is in. PAC is supplying each child with a lunch - a piece of cheese pizza, water, a fruit roll-up, and a popsicle. If this is not enough lunch or your child does not care for this lunch please provide lunch. Many thanks to the PAC.

NOTE: We have a concession planned as one of the stations. School staff will organize this station but we require 6 volunteers to run the station - overlapping shifts of 90 minutes - 8:30-10:00; 9:30-11:00; 10:30-12:00. **NO COOKING** is involved. If you can assist please let Mrs. McKeown, school secre-

tary, know (250-562-3076). If we do not have volunteers confirmed by Tuesday there will be no concession. If the concession is a go we will send home an item and price list on Wednesday.
