Are You Moving?

If your child will not be attending Westwood Elementary next year, please let the school know ASAP as we are working on school organization for next year.

Closing Thoughts

Westwood Elementary School is an exciting place to work and learn! We are fortunate to have great students, supportive parents and a hardworking and caring staff. I would like to thank you all for helping us with the most important task of improving student learning. This year has seen great gains in both academics and social responsibility and these successes are due in large part to working together with a common vision and purpose. The pillars of respect, responsibility, safety and politeness provide the structure for students to excel. Next year will bring new challenges and rewards. I look forward to them and working with you all again. I would like to take this opportunity to wish all of our families a happy, healthy and rewarding summer vacation.

Parent Advisory Council

Thanks again to our PAC for supporting our students, teachers, and school this year. This dedicated, caring group of parents is responsible for allocating thousands of dollars to various programs, students and initiatives throughout the school year.

Report Cards

As you know, today was the last day of school for this school year. Students have brought home their final report cards as well as their personal items. The staff will be in until Friday, June 26, 2015 if you need any further information or assistance.

Staff Leaving

At this time I would like to say thank you and good luck to staff members leaving us

The first day of school for the 2015/16 school year is Wednesday, September 9, 2015 from 8:45 am until 10:15 am. See you all then.
